

Missionaries to the Philippines

7,000 Reasons to Reach this Country of over 7,000 islands

June 2020

Dear Pastor and Praying Friends:

We give the Lord thanks even during this worldwide pandemic. The Philippines, especially our city, has been in total lockdown since March. We were able to give out some relief because of the love gifts given by churches toward this need. Many of our church members were out of work. I recall Acts chapter 11:28-30"... signified by the Spirit that there should be great dearth throughout all the world:... 29 Then the disciples, every man according to his ability, determined to send relief..." We thank those churches and individuals who helped during this time of need. Our church members were also giving and sacrificing in order to send relief as they were able. We thank the Lord that our church continues on line services, but little by little our city is opening and allowing church services. The father of one of our church members went to Heaven in May. Funerals here last for several days with many services. It's a tradition for families, visitors, and neighbors to attend the last night of the funeral to give their respect. Over 200 people came to this last funeral preaching service; we thank God that many heard the saving power of the Gospel and dozens called on the Lord Jesus Christ for salvation. On another occasion our church was able to give the Gospel again at a funeral in our city of La Trinidad with dozens and dozens of visitors. Praise the Lord that many called on the Lord Jesus Christ for salvation. Attached are photos of the funeral service, I also attached photos of just some of the relief goods given during the pandemic. Thank you again for your support and prayers. Please continue to pray for our Bible College as we end our semester and begin the preparation to begin classes again in August.
