

“ Thus it is written, and thus it behoved Christ to suffer, and to rise from the dead the third day: And that repentance and remission of sins should be preached in His name among all nations, beginning in Jerusalem.”

Luke 24:46-47

Dear Friends, prayer warriors and supporters,

I find it difficult to write prayer letters when we are not traveling and holding regular mission conferences. However, the Lord has been so good through this year. We can faithfully serve Him wherever we may be. Amen!

We have had some opportunities to fill the pulpit for several pastors who needed to be away from their churches. I never take those opportunities for granted when pastors invite me to preach for them. Being a preacher, it's so good to be able to preach.

We have also been able to have several "Missions Emphasis Sundays" at various churches, which I believe the Lord really used. This spring, we look forward to traveling to a number of conferences in: Ohio, Iowa, Idaho & Michigan. Later we will be traveling to El Paso. Lord Willing!

My wife and I have a blessed time of Bible study and prayer each morning. We appreciate it when churches share their prayer needs with us and we are happy to join in prayer with you.

We have been witnessing to our neighbors and trying to help them in any way that we can so that they will give open doors to tell them about our Lord Jesus. There have been some who are receptive, and we are praying that we will see them come to the knowledge of Jesus' wonderful salvation.

Since we haven't been traveling as much, we ask the Lord to give us doors of utterance to share the gospel. He has answered our prayers. We've needed to do some repairs on our house. I had a time to share with the carpenter working on our bathroom, my testimony. He didn't get saved, but we've developed a friendship. I'm praying we will see him, and his wife saved soon. His name is Bill. He has a bad heart, so we don't know how much time he has.

David is a young man who came to work on our front window. He said he had been saved when he was young, but that he knew he hadn't been living for the Lord as he should. I'm trusting the Holy Spirit is working on his heart.

Another young man came to look at a cement problem. When I told him about when I was saved, he said he and his wife were raised Catholic. He said they were getting nothing from that religion, so they are now attending a Baptist Church. He was really receptive and stayed to talk about it for about 45 minutes. We are praying it won't be long before they receive Christ.

I I was able to teach the Adult Sunday School class at our home church for a couple of Sundays. I enjoy being able to do that. Normally I haven't done much of that at our church, because up until this last year, our Sundays were spent at other churches. The pandemic has really changed our lives hasn't it? It is my prayer that God will use it to reach lost and hardened souls for His glory.

Thank you for your prayers for us. We certainly appreciate them. Would you pray for our health, safety as we travel, and that God would use us to glorify Himself? We pray that you and your church family will have a very blessed Resurrection Day.

In Christ's Love, *Herb & Helen Hutchinson*
