Dear Brothers and Sisters,

As thrilling as October was, November just increased the excitement. We heard from several more supporters, bringing us to 97% of our support! Also, several more donations to our outfit and passage brings us to 51% of the needed funds to move to Kenya.

We focused on packing the container the first few weeks of October, which is more involved than we ever imagined. It will, Lord willing, be sent over in the next few days.

After participating in our home church's missions conference, we headed off to snowy Minnesota for several meetings. One church took us on for support three days after our meeting, praise the Lord! A young man in the second church was encouraged in waiting on the Lord through hearing our testimony and Nathanael's message. He is eager to begin full-time ministry! Our last church was a wonderful conference, allowing us to interact with other missionaries and get to know the church family that has supported us for a couple years already. The children especially were a huge blessing to us in many ways, including providing for items to help in our upcoming flights.

We are looking at dates in mid to late January for flying over to Kenya. Please pray for wisdom on the timing of this. Many factors are still being decided, but we are so excited to be at this point in the process!

As we near the end of deputation several prayer requests are much appreciated:

○ Two meetings the first two weeks in December

- Our container to safely make its 3-4 month trip to Kenya
- The remaining funds to come in
- Work permit to be approved
- Wisdom in finishing all the loose ends

Much love,
Nathanael, Linette, Hadassah, Joseph, Jesse, and Havalah Steinbart
