The travels so far this fall/winter season has taken us too many states: Missouri, Ohio, Indiana, Michigan, California, and Georgia. We've had great meetings and conferences. It has been great to see many of you again and we are looking forward to seeing more of you this year.

I joke with some that I have become a fulltime trucker with all the driving, and that we need to change the country's national flower to the "orange barrel." All the jest aside we get to see the road a lot and we do appreciate your prayers for safety on the road. Sometimes we wonder "how did I get out of that one?" especially on November 4<sup>th</sup>, and the answer is God.

Do continue to pray for the church family in San Marcos de Tarrazú. Hailyn had a baby born at the end of November, Emiliano is his name. Both mama and baby are doing fine. There have been some who have stopped coming, pray for their faithfulness and for the church in general in that area.

We head back to Costa Rica in June and time is flying by fast. We will be back down there before we know it.

I do have a new cell number that I will be using while in the States: 937-343-4417. This number is the best way to reach me for call or text. If you call please leave a message.

**Thank you for your prayers and financial support, we wouldn't be in Costa Rica without you.**

Because He is worthy,
