Second Generation
Missionaries in Costa Rica

June-August 2020

Dear Pastor, church family, and praying friends,

Greetings from Ohio!! We did not think we would still be here, but here we are. We rest in God, because He did know. Our furlough will be continuing longer than we planned and are looking forward to contacting more supporters and churches, filling up the calendar with meetings and just keep going forward.

Prayer Requests:

Our health, physical and spiritual
For boldness to present the
Gospel

Just to give you all an idea of the situation with returning to Costa Rica: we have contacted the consulate here in the US and the government in Costa Rica about returning. We were told they would let us know if they hear back from immigration. But, the country is taking a step forward; they have decided to begin commercial flights on August 1st, but just from Germany and Spain and only 5 flights a week. They mentioned in the following months they hope to add more from Europe, Great Britain and Canada. The US was specifically mentioned as not being allowed in. It is because of the rise in cases that the US is not included. According to Costa Rica until the US can control the virus better they will not open to commercial flights from here.

As for the virus in Costa Rica it is on the rise as well. They are seeing record cases down there. Much was closed down again in the higher populated areas, back to phase 1 as we call it here in the US. And unemployment has hit a record high for them. But praise the Lord the church up in San Marcos is still able to meet. Pray for the brethren in Costa Rica as we encourage them to continue growing in the Lord.

Thank you for your prayers and financial support, we wouldn't be in Costa Rica without you.

Because He is worthy,
Brian & Ashley Todd
